Teacher Proposal for
NWBW Basket Day at Meridian Park, Seattle, WA
Saturday, August 21, 2010

The Guild will once again be sponsoring Basket Day at Meridian Park in Seattle on Saturday, August 21st. This event offers an opportunity for the Guild to provide learning opportunities to both our members and their guests. Classes are sponsored by the Guild (our teaching fee is $30/Hr), and students pay only the materials fee.

If you have been thinking about teaching a class, this is your opportunity! Teachers & members – we are now accepting class proposals. Although first preference is given to Guild Members, you do not have to be a member of the Guild to propose a class. Classes can be either ½ day (up to 3 hours), or a full day (up to 6 hours). If you would like to offer a class on a drop in basis, please indicate that on your proposal. Please remember that although we like to offer classes for a variety of skill levels, and will have all experience levels signing up for classes, a large percentage of those will be beginners. In estimating the time for your class - please be sure to allow sufficient time for the project to be completed in the time frame you have given by a beginning to average weaver. Classes will require a minimum of 5 students to "go". We have space for a maximum of six classes, and will try to limit class size to 8, adjusting it upward as needed based on overall registrations.

The deadline for class proposals is: May 15, 2010

Use the form below, or make a copy to submit class proposals. Proposals will be accepted by mail or e-mail. Please return proposal forms and photo of basket item by email or regular mail. A sharp photo as close as your camera will take with a **white** background works best for our illustrations. **Your Proposal will not be considered without a photo.** Questions?
