

NWBW Calendars are Now Available

Our **2018 Northwest Basketweavers** calendars are here! Images in our calendar feature baskets that were on display during our 2017 Retreat Gallery exhibit. The Merchandise committee has devoted much time to this project and we are very excited with the result.

Selecting the limited number of baskets to be featured in our calendar is challenging as there are so many fine baskets created by all our artistic and experienced weavers. We strive to represent the great variety of styles, techniques and materials which were on display in this exhibit. We know you will be pleased with the choices made.

The price for our calendar is \$15.00. If you choose to purchase three or more calendars, the price for each calendar will be \$14.00. Calendars will be available while supplies last. Calendars may be purchased at Guild functions or ordered by mail. There will be a \$3.00 shipping and handling fee for each calendar mailed in the US, and a \$5.00 shipping and handling fee for each calendar mailed to Canada.
